## SPRING IS HERE

### DATES OF INTEREST:

- June 14 Regular City Council Meeting  
6:00 pm at City Hall
- June 28 Budget Workshop 6:00 pm  
at City Hall

**Gardening.** When picking out plants this spring you may want to consider some varieties that are deer resistant such as Barberry, Blue Mist Spiraea, Common Juniper, Hawthorn, Oregon Grape, Flowering and Korean Dogwood, Viburnum, Norway, White and Blue Spruce, and Rabbit Brush.

**Save Water.** Rain barrels are great for saving the water running off of your roof so you can use it for watering gardens. For instructions for making your own rain barrel check out the following site on line  
<http://www.jrbp.missouristate.edu/RainBarrellInstructions.pdf>

**Permits to Build.** Most buildings and home improvements require permits. Contact City Hall to see if your project may need a permit before you start.

**Dig Safely.** Call 1-800-398-3285 at least 2 days before you dig to have underground utilities marked for your safety. Failure to call makes you financially responsible for any damage that may occur.

## “Happenings at the Plummer Public Library”

Summer is almost here and it will be time for outdoor fun and family vacation. While you are finishing up your spring cleaning, would you please look around for overdue or lost library books or dvd's. Please return them to the library so that others may enjoy them too.

Plummer Library's display case theme will be on birds this summer. If you have any decorative bird related items you would like to share for display, please contact the library at 686-1812. Thank you for your help!

## COMMUNITY CENTER

The community Center can be rented through City Hall for \$50 per day. Rental is on a first come, first served basis with reservations being held once a \$40 damage and cleaning deposit is received. The park, picnic tables, and picnic shelter are open to public use at no charge on a first come, first served basis. A portable, handicapped accessible restroom is available at the Community Center park. Please enjoy the park and help keep it clean for everyone.

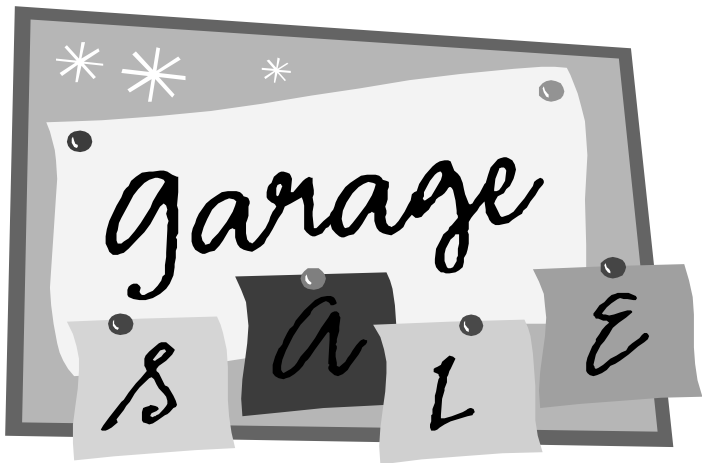

Plummer City News is published by the City of Plummer and provided to customers free of charge. An electronic version is available upon request. Any comments about this publication can be addressed to the City Clerk at P.O. Box B, Plummer, Idaho 83851 or (208) 686-1641 ext. 22 or by e-mail at [debbie@cityofplummer.org](mailto:debbie@cityofplummer.org)

To file a complaint of discrimination, write USDA, Director, Office of Civil Rights, 1400 Independence Avenue SW, Washington DC 20250-9410 or call 1-800-795-3272 (voice) or 202-720-6382 (TDD).

## Cemetery News

A fund has been started for the replacement of the existing retaining wall at Evergreen Cemetery. Our hope is to start this wall as a Memorial to Clair Heriford as well as others we would like to remember.

An account has been setup at Sterling Savings Bank for those who would like to make a donation to the "Memorial Wall". Any questions can be directed through Debbie Sneve or Nancy Allen.

### Plummer-Worley City Wide Yard Sale

June 9th

Saturday 9 am–5 pm

Maps available after 8:30 am on the morning of the sales at café's, store, gas stations and individual sales.

If you are interested in joining with a sale, contact Bob Huggins 686-1551 before June 3, 2012  
\$10 fee for advertising

## Road Oiling Has Been Completed

The city crew has been out in May to complete the city street oiling. Many of the gravel roads have been oiled and you should exercise caution. Please remember to drive s-l-o-w-l-y on fresh oil.

## Helpful Tips on Water Conservation

***There are a number of ways to save water, and they all start with you.***

- When washing dishes by hand, don't let the water run while rinsing. Fill one sink with wash water and the other with rinse water.
- Some refrigerators, air conditioners and ice-makers are cooled with wasted flows of water. Consider upgrading with air-cooled appliances for significant water savings.
- Adjust sprinklers so only your lawn is watered and not the house, sidewalk, or street.
- Run your clothes washer and dishwasher only when they are full. You can save up to 1,000 gallons a month.
