A Message from Council

As Veterans Day draws closer, the City of Plummer would like to take a moment to thank our gallant men and women who have chosen to serve our country. It is with a deep felt sense of pride and honor that we salute those serving abroad and at home for their service. I would like us all to remember those who gave their lives and sacrificed so that we may remain free.

I would ask everyone to take a moment to remember. I would ask us to think about those who are serving and away from home and loved ones. Our country owes so much to those who sacrifice to keep us free and safe.

Thank you to all who have served and are still serving.

Councilman Hampton

A MESSAGE FROM PUBLIC WORKS

PREPARING FOR THE SNOW TO FLY

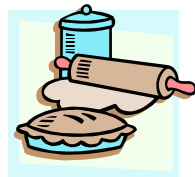

As in the years past, we will be plowing city streets to maintain access on main streets first and alleys last. We try to avoid leaving snow berms in front of driveway's but this is not always avoidable. Maintaining your own access and driveways and clearing snow from around your mailbox is the responsibility of the property owner.

Please take care when plowing near water meters so that the lids are not disturbed. Keeping fire hydrants clear is for the safety of the community. As a friendly reminder everyone needs to keep clear access to water and electric meters.

Have a safe winter!

Carl Richel, Public Works Superintendent and the City Crew
