## PLUMMER DAYS NEEDS YOUR HELP....

In order for Plummer Day's to become a reality we are going to need more help and participation from the community. We are encouraging groups and clubs to step up and take on an event or come together and volunteer to help with other events.

The City would like to see the community members get creative and put together fun activities for different age groups to participate in. Some suggestions are: A dance, Horseshoe Competition, Community Picnic, Baking Contest, Music/Talent Show, Kids and Adult Activities, Volleyball Tournament. Maybe you have a unique talent you are willing to show off!

A big part of Plummer Days is the parade at the beginning of the day. The parade requires a lot of coordination and several volunteers in order for it to run smoothly. We are in great need of people who want to be a part and help make magic in the community. Many of the community members look forward to Plummer Days and all that it has to offer. **Contact Erin @ City Hall 686-1641 or Debi Church @ 660-3645**

## TAKE PRIDE IN YOUR COMMUNITY PARTICIPATE IN APRIL ACTIVITIES

Surrounding communities are gearing up for their community Clean-up Days...PCAT and One-Sky are teaming together here in Plummer on April 26th to form a Plummer Clean-up Day. The group will get together at 10:00 a.m. in the park area next to City Hall. Coeur d'Alene Tribal Housing Authority will be providing garbage bags. \*The City is encouraging ALL local businesses and residents to join in and clean up their surrounding areas.

Arbor Day and Earth Day are also in the month of April. This clean-up day is a great way to give back to your community. Don't let our neighboring communities show us up!

The City will be participating in Arbor Day with the planting of various trees and shrubs throughout the community and welcome volunteers to help out.

In celebration of the beautiful weather we are bound to have during the month of April, consider becoming an Adopt-A-Street participant. It's free and you can choose the area that you would like to adopt and be responsible for. The City provides rubber gloves and orange garbage bags for the Adopt-A-Street participants. Make it fun and rewarding, invite your family, friends or even your neighbors to join forces with you and take charge of an area. We have a wonderful community that could use a little love and effort to make it even better!!!
