## Christmas Lighting Contest

It's that time of year again for the Christmas Lighting Contest. PCAT would like to invite all residence and businesses of Plummer to participate in the Christmas Lighting Contest. Prizes will be provided. For questions about the Contest please Contact Debi Church 208-660-3645.

## Plummer Days

Plummer Days Committee Meetings will be starting back up in January. More information on the date of the meeting will be available as it gets closer to the meeting.

Plummer City News is published by the City of Plummer and provided to customers free of charge. An electronic version is available upon request.

Any comments about this publication can be addressed to Sara Gauthier City Clerk at P.O. Box B, Plummer, Idaho 83851 or (208) 686-1641 or by e-mail at sara@cityofplummer.org

In accordance with Federal law and U.S. Department of Agriculture (USDA) policy, the City of Plummer is prohibited from discriminating on the basis of race, color, national origin, sex, age, or disability. To file a complaint of discrimination, write USDA, Director, Office of Civil Rights, 1400 Independence Avenue SW, Washington DC 20250-9410 or call 1-800-795-3272 (voice) or 202-720-6382 (TDD).

## **2015 Dog Tags**

Dog Tags expire at the end of December and new tags are available for purchase at City Hall.  
Dog license with proof of shots are \$3.00 and without proof of shots \$10.00.

## **Public Works**

With the winter months quickly approaching, snow will be falling in no time. Our City Crew will be out in full force making sure our roadways are clear. The City is asking that vehicles not be parked along the sides of the roadways so that plowing can go smoothly once again.

### **Fun Water Facts:**

The average person must consume 2 1/2 quarts of water per day from all sources(i.e., water, food, etc.) to maintain their health.

The first water pipes in the United States were made from fire-charred or bored logs.

25-50 gallons of water are used in the average shower each day.

There are 58,900 community public water supply systems in the United States

It takes 1,500 gallons of water to process one barrel of beer.

It would cost in excess of \$175 billion to replace all the community water systems in the United States.

Only 1% of the earth's water is suitable for drinking.
