New Polling Location

Dear Plummer Precinct Elector:

Effective November 5, 2019, the Plummer Precinct Polling Location will move to the Plummer Bible Church, located at 1090 D Street in Plummer. The Plummer Community Building will no longer be the polling place for Plummer Precinct voters. Election hours will remain the same, from 8:00 a.m. to 8:00 p.m. We feel this change will provide a pleasant, comfortable, and accessible location for voters and poll workers alike.

See you on election day!

Sincerely,

Deanna Bramblett, Clerk &

Lynn Ragan, Elections Deputy

Message From the Mayor

This month's article is going to be short and sweet.

Got word on the 21st of October that the \$150,000.00 ICDBG grant Sara and I worked on to remodel the old ambulance building on C Street into a dedicated Senior Citizens Center was approved by Governor Little! The Plummer Senior Citizens will have their own building! Awesome! They will no longer have to worry about utilities or rent, and can dedicate their meager budget on meals and other activities!

Sara and I are working on the steps we'll have to meet like our environmental review record, an updated scope and project schedule and other documents submitted to get the funding released, the project off to bid, and construction started. Hopefully with a completion date of late spring/early summer! The sooner the better though! We will do everything we can to make this project quick so the seniors can move in to their new digs as soon as possible.

By the time you read this, a new heating system install should be underway in the Community Center. We have budgeted for a furnace system that will evenly heat the whole building. No more relying on funky wall heaters and the place never seeming to get warm enough when people rent and use it. It's going to be nice!

I hope everyone has a good Thanksgiving holiday!

That's it for now! See you next month!

Mayor William Weems
