Snow Plowing Season

Section 1: Parking. It shall be illegal for any vehicle to be parked in such a manner so as to impede snow removal operations. Any vehicle left in the street or right of way may be subject to citation and/or removal, at the owner's expense. Owners may return vehicles to "on street" parking following the completion of the plowing operations.

Vehicles left in the right of way are left there at the owners risk and could be struck by a snowplow during plowing operations. In the event there is damage to a snowplow or other city equipment caused by vehicles left in the right of way, owners of said vehicle could be subject to reimbursing the City the cost of the damage. The City is not liable for damage to any privately owned vehicles, boats, trailers, etc. when parked in the city right of way.

Section 2: Right of Way Encroachments. Mailboxes, newspaper boxes, fences, and other personal property located in the street right of way are the responsibility of the owner. Damage to personal property located in the city right of way resulting from plowing operations is not a reimbursable expense. Owners of personal property located in the City right of way could be subject to reimbursing the City should damage occur to City equipment during plowing operations.

Section 3: Accumulations from private property: It is unlawful for any person to deposit or cause to be deposited, throw upon, or move onto any public street, sidewalk, thoroughfare or other public property including right of way, any snow, ice, dirt, soil, rock, or debris that has accumulated on any private property.

Section 4: Sidewalks: Owners and occupants of privately owned premises shall be responsible for keeping their sidewalks and any areas adjacent to their business or premises or any portion of their real property, including corners, free and clear of snow and ice.

Library News

Idaho Family Reading Week is Nov. 14th - 20th. The theme is "Believe and Achieve." Plummer Public Library will be hosting a Family Night event on Tues. Nov. 16th from 5 pm - 6:30 pm. There will be a story time, snacks and a 3D printer demonstration along with other fun activities. Seating is limited so if your family plans to attend, please sign up ahead by calling 208-686-1812. Children must be accompanied by a parent or adult guardian.

Happy Thanksgiving Everyone

Message from the Mayor

Well so far it's been a fairly quiet autumn. The storms and wind associated with them as of late haven't knocked our power out, which is a good thing. The result of the rebuild of the system. With La Nina, it could be a snowy cold winter. We'll see how it holds up under those conditions.

The GOP controlled legislature and governor keep bragging about our "surplus," and how they are going to "invest in Idaho," but the small rural communities haven't seen squat so far. As of right now, it's sitting round \$1.5 BILLION with another \$531 MILLION projected by next July. If they took \$300 million off the top of that \$1.5 billion and divided it up among the 165 small rural communities with <2,000 populations, think of the improvements that could make for these small communities that are struggling and crumbling. There would still be around \$700 million left and it would be back to \$1.2 billion by July as stated in their projections. And the governor's office along with some legislators just announced major work on highway infrastructure in the Treasure Valley. No doubt they'll spend it all down there. But what about the rest of us? Just sayin'.

Now that I've got that off my chest...

It's already the November 2021 "message from the mayor." Only 60 odd days until 2022. This year flew by.

Hopefully, the seniors will have their new home by Christmas. I'm keeping my fingers crossed! That would be a great Christmas present for them and the community.

That's about it. I want to wish everyone a Happy Thanksgiving holiday. Onward, toward Christmas and 2022!

Stay safe and healthy everyone!

Mayor William Weems
