Message from the Mayor

This one is going to be short and sweet, because I have *ONE* thing on my mind! We requested bids for the Senior Citizen's project earlier this month and received one. We opened it at 2 pm on the afternoon I write this (January 27th), and pending council approval later this evening at a special meeting, we have our contractor! Now we need to write up the appropriate contract documents and my biggest burning question will be, *WHEN CAN YOU START!* Through all the covid stuff, it has taken forever to get this far, but now we can see the Senior Citizens of Plummer finally getting a place to call home for fellowship, meals, and whatever activities they see fit to entertain! I'm excited! It's been a long time coming but finally! We're getting somewhere! Thanks to all the agencies and folks who helped us on our path to this goal! Thank you, Senior citizens for your patience during this frustrating time(s)! Let's cross our fingers for an Easter Grand Opening! Heck, any Grand opening will be just that! GRAND! So that's it for this month! Stay safe and healthy! Talk to you next month!

Mayor William Weems

February is Black History Month. The theme for 2022 is "Black History Wellness" which focuses on the legacy of black scholars, medical practitioners, birth workers, doulas, midwives, naturopaths, and herbalists. Drop by the library to find books and learn more through displays.... and to check out books and movies to learn more!

The library will be closed February 21 in honor of Presidents Day.

Beginning in March we will begin monthly story hours. This program will be geared to roughly 5-7 years old, but all are welcome. We will have stories, activities and time to check out books! More information to come!
