Snow Plowing Season Is Upon Us

Section 1: Parking. It shall be illegal for any vehicle to be parked in such a manner so as to impede snow removal operations. Any vehicle left in the street or right of way may be subject to citation and/or removal, at the owner's expense. Owners may return vehicles to "on street" parking following the completion of the plowing operations.

Vehicles left in the right of way are left there at the owners risk and could be struck by a snowplow during plowing operations. In the event there is damage to a snowplow or other city equipment caused by vehicles left in the right of way, owners of said vehicle could be subject to reimbursing the City the cost of the damage. The City is not liable for damage to any privately owned vehicles, boats, trailers, etc. when parked in the city right of way.

Section 2: Right of Way Encroachments. Mailboxes, newspaper boxes, fences, and other personal property located in the street right of way are the responsibility of the owner. Damage to personal property located in the city right of way resulting from plowing operations is not a reimbursable expense. Owners of personal property located in the City right of way could be subject to reimbursing the City should damage occur to City equipment during plowing operations.

Section 3: Accumulations from private property: It is unlawful for any person to deposit or cause to be deposited, throw upon, or move onto any public street, sidewalk, thoroughfare or other public property including right of way, any snow, ice, dirt, soil, rock, or debris that has accumulated on any private property.

Section 4: Sidewalks: Owners and occupants of privately owned premises shall be responsible for keeping their sidewalks and any areas adjacent to their business or premises or any portion of their real property,

Letter from the Mayor

Hello Plummer residents; October has flown by and I hope you had a great month. It has been a very busy month at the City of Plummer. We have had a lot going on and have some big changes coming. First off, we had to say goodbye to Kevin and Julie Koropatnicki as they have decided to enjoy the good life in retirement. We would like to take this time to thank them for their service with the City and wish them the best. We are currently accepting applications for a Front Desk Clerk and a Journeyman Linesman. We are hoping to get these positions filled very soon.

We are also making a big change with our Public Works Department. November 1st Rick Wren will be joining the City of Plummer and will head up our Public Works Department as our new Superintendent of Public Works. We had an opening in our Public Works crew and felt the City needed someone with Rick's experience, knowledge, and leadership to head up this department. I would like to thank our entire staff for their hard work, understanding, and patience through all these changes. Rick will bring a great amount of experience as a former employee of the Wyoming Department of Transportation and Wyoming Highway Department. We look forward to seeing what Rick brings to the City of Plummer.

We are also currently working on updating the City of Plummer's Comprehensive Plan as it has not been updated since 2007. The Comprehensive Plan covers community values, goals and visions for the future. We are looking for community members that would be interested in forming a committee to review our Comprehensive Plan and to provide input to the overall future goals of the City of Plummer. Recommended changes and updates will then get reviewed and approved by our City Council. Please contact Tammy Montague at 208 686 1641 Ext 3 or myself if you're interested.

November is here and the weather is changing rapidly. Our crew will be preparing for the coming snow. Please remember to keep vehicles off the road way so roads can be plowed easily. Thanksgiving will be here soon and I hope all of you get to spend time with your friends, family and loved ones and use that time to remember all we have to be thankful for.

Please reach out if you need anything.

Sincerely,
Chris Dohrman
Mayor City of Plummer

Library News

Plummer Library News - November 2022

As November cools, it's a great time to come to the library to find a book or movie to enjoy with that cup of hot chocolate as the chilly evenings lengthen. This month we esteem our heritage as we celebrate Native American Heritage Month; cherish the gift of freedom as we honor Veterans Day; and celebrate family and our blessings on Thanksgiving Day. Come to the library to find great reads about these things we hold dear, to find a new work by your favorite author, or to just relax and enjoy the wonder of books. Check out our great programs as well!

IDAHO FAMILY READING WEEK: We will celebrate Families and Reading on Tuesday, November 15 from 6-8:30 pm at the library. Our theme is Wild Wonders: think everything wildlife and Idaho's amazing wilderness and rich resources! All families are invited to join us for a simple dinner at 6pm, with wild animal and salmon artifacts to explore, and fun activities following dinner. Explore the library...each family who checks out a book to take home will be entered in a drawing for *A Family Fun and Reading Night at Home* gift basket. And everyone will leave with free books provided by the Idaho Commission for Libraries! Because space is limited and our need to plan for food, sign-up is required. Please call 208-686-1812, or email plummerlibrary@gmail.com

CHILDREN'S PROGRAMS-

S.T.E.A.M:

Wednesday, November 2 from 1-2:15 Rubber Band Cars- build a 4-wheeled car from random stuff you have lying around. Learn about the engineering design process and physics.

STEAM FOR NOV 16 WILL BE CANCELLED DUE TO FAMILY READING NIGHT ON THE 15TH

Wednesday, November 30 from 1-2:15 Build A Boat- Build a land boat that sails across different surfaces.

Tuesday, November 15: 6-8:30 pm- Idaho Family Reading Night

ADULT PROGRAMS

BOOK CLUB: Thurs. 11/10/22 from 6-8pm. Our selection is *Finding Me*, by Viola Davis: "In my book, you will meet a little girl named Viola who ran from her past until she made a life-changing decision to stop running forever.

This is my story, from a crumbling apartment in Central Falls, Rhode Island, to the stage in New York City, and beyond. This is the path I took to finding my purpose but also my voice in a world that didn't always see me.

Finding Me is a deep reflection, a promise, and a love letter of sorts to self. My hope is that my story will inspire you to light up your own life with creative expression and rediscover who you were before the world put a label on you."

ADULT CRAFT NIGHT: Thurs. 11/17/22 from 6-8pm. **Please Note:** we will begin at 6pm, rather than 5pm as we have previously been doing. We will make simple Christmas ornaments from a variety of materials. Call, drop by, or email to get details and sign up: **208-686-1812--plummerstaff@gmail.com.**

PHOTOGRAPHY CLUB: 4th Thursday of each month. **Please note-due to holiday conflicts in November and December, photography group will resume in January, on Thursday, January 26.**

Library Friends Meeting: Tues. 11/8/22 at 1pm at the library. Meet for lunch before the meeting at Gateway Café in Plummer at 11am! Consider joining the Library Friends group—have fun helping the library and making new friends. Call us for more information.

Talking Book Services available to those with visual impairment or reading disability: TBS provides the machine and audio book and/or magazine titles (selected by the user), mailed directly to their residence, free of charge. Contact Plummer library for more information!

Looking forward to seeing you! You can keep up with our library happenings by liking our FB page. M/T/W 10-6; TH 2-6; SAT 10-2
