The Heaven and Earth Grocery Store by James McBride.** In 1972, when workers in Pottstown, Pennsylvania, were digging the foundations for a new development, the last thing they expected to find was a skeleton at the bottom of a well. Who the skeleton was and how it got there were two of the long-held secrets kept by the residents of Chicken Hill, the dilapidated neighborhood where immigrant Jews and African Americans lived side by side and shared ambitions and sorrows. Chicken Hill was where Moshe and Chona Ludlow lived when Moshe integrated his theater and where Chona ran the Heaven & Earth Grocery Store. When the state came looking for a deaf boy to institutionalize him, it was Chona and Nate Timblin, the Black janitor at Moshe's theater and the unofficial leader of the Black community on Chicken Hill, who worked together to keep the boy safe. ## Plummer Pole Yard Community Visioning Workshop

The City of Plummer and the Coeur d'Alene Tribe welcome you to share your ideas about what you want to see at the former Plummer Pole Yard. This is your opportunity to help transform the Pole Yard for the benefit of the entire community. Children welcome, dinner will be served and a gift card raffle will be held for attendees.

Marimn Health Wellness Center- 1100 A St, Plummer, ID 83851

Thursday, June 13 from 4:00 - 7:00 p.m.

Hello Residents of Plummer. I hope you are all doing well. We have been very busy at the City and we have a lot of upcoming projects and events.

June 13th we will be holding a Plummer Pole Yard community visioning workshop with the Center for Creative Land Recycling, EPA, and Coeur d' Alene Tribe. This will be held from 4:00 to 7:00 pm at Marimn Health Wellness Center. There will be a dinner and a raffle of 10 WinCo \$50.00 gift cards. The purpose of this workshop is to get community input on what you would like to see done with the pole yard in the future. We encourage you all to come.

We are currently preparing to do some road work in the next few months with a grant we received. We will give more details on dates and roads getting paved when we have that information. Our city crew is working hard to make improvement to our infrastructure.

We are looking for anyone who may be interested in volunteering or receiving community service hours. There are many ways you can help our community from lawn care, maintenance at our community grave yard, parks, and community center. If you are interested in helping, please contact me.

Our office staff would like you to update your contact information (email and phone). It's important that if you have a change that you let our office know so we can get a hold of you. This will allow us to provide better services for you.

Plummer days is coming on July 20th so please save the date and come join in on the fun. If your interested in helping, being part of the parade, or just getting more details please call City Hall at 686 1641 extension 3. Wendy Stansbury is heading up Plummer Days and is also another great contact if your interested in getting involved. Wendy can be reached at 208 582 8390.

We just had a community clean up day with the Coeur d'Alene Tribe and it was a great event. Our community is looking great and it's so nice to see everyone take pride in where we live. I hope you have a wonderful month. Please let us know if there is any way we can serve you better.

Sincerely,

Chris Dohrman
