- I. RFQ Wastewater and Water Operators Interviews/ Selection:** Will take this into consideration under Interim Wastewater & Water Operator Agreement.
- II. Interim Wastewater & Water Operator Agreement:** City Clerk-Treasurer read Mr. Morris's email that states he was still trying to find insurance. He also said he can take any license tests anytime up to level 2 considering experience and degree in engineering, but he was not sure about a level 3 at the moment. He was not wanting to go get his other licenses without reason. Miller thinks that for the employees and the City that the best option would be Leonard and Paul. Kennar stated under the circumstances that Leonard walked away even if we have to pay more, we should give E3 Consulting a chance. Dohrman talked about the only difference in agreements is the dollar amount. Gauthier said personally she likes Leonard but feels like a fresh start with E-3 Consulting instead.

Mayor Weems left the meeting at 6:12p.m. Gauthier took over running the special City Council meeting. General discussion.

Miller made a motion to approve E-3 Consulting as our Wastewater & Water Operator. Kennar seconded. Roll Call Vote Gauthier aye, Miller aye, Kennar aye, Dohrman aye. Motion Passed.

Special Council Meeting Adjourned at 6:41 p.m.
