

Plummer Day 2024

March 15, 2024

Dear Friend,

Plummer Day will be held on Saturday July 20, 2024. As you may know, the Plummer Day committee started with a small group of dedicated community members that had a vision of an event that would give us, community members, a day to celebrate where we live, work and play.

We would like to invite you to participate as a vendor / artisan for this year's event. Vendors will set up in the park next to the community center, Saturday July 20, 2024. Each booth will require a payment of \$10.00, please include this payment when you send in your application. Your booth should be set up by 10:00 am. There is a limited supply of Vendor booths inside the Community Center, these spaces are available to vendors who need electrical connection.

Food Truck Vendors – Please be ready for food service by 10:30 am. Food trucks need their own source of power. Food vendor hours are 10:30 – 3:00pm. A Food Handling permit is required for all food vendors. Food trucks will need to pay \$10.00 with their application.

All vendors are required to carry liability insurance. All vendors will be responsible to break-down their display and clean their respective area.

Please return your completed form by **July 13th** to the mailing address below.

8 am – Fun run

10 am – Parade starts, ends at Committee Center

10 – 2 pm – Car Show

Kind Regards,

Plummer Day Committee
